

## ACURA TL GRILLE KIT

The RonJon Sport Design 4th Generation Acura TL Grille is constructed of the Highest Quality ABS Plastic in 3 pieces, aluminum mesh and an aluminum emblem with urethane doming, this body enhancement can completely change the unattractive beak-like front end of the 4th Generation Acura TL into an aggressively styled car.

**The grille includes:**

- 2 Piece sonic welded shell
- Aluminum RJ logo emblem with urethane doming
- Perforated sheet aluminum mesh or pvc plastic matte black mesh.
- Removeable horizontal split bar or split bar to accommodate the OEM "A" logo.

## HONDA ACCORD AERO KIT

The RonJon Sport Design 8th Generation Honda Accord Coupe Aero-Kit is constructed from high grade ABS Plastic, it comes prepped and primed ready for paint with industrial strength 3M double sided tape pre attached. Mounting requires just positioning the add on lip kit over existing bumpers and sidesills, tapping screws (included) fastened on the inner wheel well and 3M double sided tape. This Aero-Kit maintains the clean non-exaggerated style of the Accord Coupe by lowering the ground clearance by 1.5" and adding the two tone option diffusers shown in grey.

**The RJSD 8th Gen Honda Accord Coupe Aero-kit includes:**

- Front Lip under-spoiler
- Side skirt overlays
- Rear spart pair
- Double sided 3M tape
- RJ Emblems and decals
