Vehicle Exterior Sport Emblem (3.25" x 1.45")

Consisting of 3 ink colors printed on an irregular shaped embossed piece of aluminum, self adhesive backing, with domed urethane coating. At 3.25" it can be bent to the contours of any part of the vehicle, normally placed on the front 3/4 fender behind the front wheel well. Can also be placed on the 2nd smaller side window, or the rear trunk lid.

Vehicle Interior Miniature Emblem (0.8" x 0.5")

Consisting of 3 ink colors printed on a rectangular piece of embossed aluminum, self adhesive backing, with domed urethane coating. Very small yet detailed, this emblem can be placed on the steering wheel or the center console.

Vehicle Exterior Luxury Emblem (2.5" x 1.15")

Consisting of 3 ink colors printed on a rectangular piece of embossed aluminum, self adhesive backing, with domed urethane coating. Normally placed on the rear trunk lid or on the interior of the vehicle's dashboard.

Valve Stems with Choice of Cap Covers

These Caps are integrated with the Valve stem to conceal the actual rubber part of the valve. Available in either a 2 piece chrome finish, single piece chrome finish or a single piece silver finish exclusively for the Servo, Inspyre, Legend and Legend Type II wheels.

Vehicle Side Window Decals (7" x 0.8")

These decals are a single piece of clear vinyl with a sparkle silver logo and website usually placed on the side windows.
