Warranty:

Our Warranty our products to be free from defects, if you receive a product and it is damaged or defective, we will replace it for free less shipping. Once the product is received, if it is proven that the product is defective by us and not by mishandling or in transit, then we will ship out the replacement and cover the shipping charge. Plain and simple. Accidental curbage and or damage caused by neglect or road conditions are not covered under warranty.

Once a sale is complete, the customer is allowed 30 days from date of purchase to return or exchange the unused product. Once a wheel has been mounted by a tire, there are no exchanges or returns allowed.

A 15% processing fee is applied for returns or cancelled orders.

Any of the above situations can only be honored with proof of original receipt and with the original owner.

Pre-order based deposits are non-refundable on special orders. Special order items do not fall under the policy mentioned above.

Additional Comments:

We aim to make your purchasing experience a smooth one, by providing you with much needed attention and communication about our exclusive products that are designed and engineered to fit Honda and Acura vehicles perfectly, even when modified with suspension and brake upgrades. We are also knowledgeable on these suspension and brake upgrades and can suggest the perfect fitting tires, brakes and suspension for your particular needs. You don't need to worry about modifying your vehicle, we can help you understand the benefits of modifying your vehicle properly with our vast experience as technicians and enthusiasts. You can rest assured that you will be receiving a quality driven product that fits your vehicle perfectly and is uniquely styled.

Each RJSD Purchase comes with an exterior RJSD vehicle badge, and interior RJSD mini car badge Optional lug nuts where applicable, integrated valve stem and cap, centercap, and a media kit showcasing our new products.

Visit us online at <http://www.ronjonsportdesign.com> for an in-depth and consistently updated review of all we have to offer. We currently have over 500 images of RJSD modified vehicles to help you see what your vehicle will look like with different options.

Alloy Wheels and Aerodynamic Components Designed Exclusively for HONDA and ACURA Vehicles

RonJon Sport Design is the only company dedicated to providing you with the perfect fit. Our wheels are designed and engineered exclusively for Honda and Acura vehicles, even with modified suspension and brakes. Utilizing a hubcentric fitment to provide a vibration-free ride with perfect offsets to ensure fender clearance, RonJon Wheels solves the problems associated with universal wheels.

Finally, your car can perform as well as it looks without any compromise.
